Each of its collections has its unique seal of inspiration and evolution, incorporating into its production relevant cultural aspects that improve its color pallet and texture.

Kropel

KROPEL has its origins in Germany, leader in solutions for the conduction of water with its portfolio of Faucets and Accessories. All its series integrate functionality, design, quality and excellent price, adding to it the undeniable fingerprint of German production.

CLOSETS

CLOSETS

Something that we cannot forget is that the originality of the closets was due to the fact that, among other things, mass production did not exist, its beginning was a trunk and with the dedication of the designers which is generated with the revolution and the replacement is born the trend, thus managing to produce more and better closets by making use of technology.
